LYRIC THEATRE MEETINGS OF CONGREGATIONAL CHURCHES

The Union Congregational Meetings held in the Lyric Theatre Sunday evenings present an unusually interesting program to-morrow at 7:15 p. m., when the song service begins. It is very difficult thing to arrange your church going on Sunday so as to hear four quartettes sing but by coming to the Lyric Sunday Night you are able to hear four singing at one service. One of the attractive things about last Sunday night's program was the first appearance of the new United Church Choir. One can not wish anything better for the new church than that the membership shall have as much harmony as the United Choir has. Miss Katherine H. Richards of the Park Street church will sing "Abide with me," by S. Liddle.

The subject for the evening is "A Man and His Home" and the leader is Mr. Tamblin. Mr. Gallaudet and Mr. Beard will be the speakers. Dr. Swain's prologue is always interesting. His ten minute talk Sunday will be upon the subject "Where is God?" The public is cordially invited to this service. Four churches, four ministers, four choirs taking part every Sunday night and a large audience enjoying the evening.

ENGLISH PUBLISHERS FINED FOR RIDICULE OF "SLACKER" TYPE

Bernard, cartoonist, 50 pounds for publishing a cartoon depicting a British soldier lying intoxicated beneath a tree and clasping a bottle of beer. The charge was brought under the defense of the realm act on the ground that publication of the cartoon was prejudicial to discipline. An appeal was entered.

SWEDEN TRIES TO STOP CONTRABAND TRADING

London, Feb. 19.—A Copenhagen despatch to the Exchange Telegraph Company says that according to the Snaellposten the Swedish Minister of Justice has appointed a royal commission for the purpose of prohibiting the transportation along Swedish territorial waters of all such goods as are forbidden to be exported from Sweden. The prohibition is said to be directed against Danish merchants who are largely interested in transporting merchandise to Russia through Swedish waters. This step, the newspaper points out, will make the Baltic a dead sea, closed in land sea, the conditions being especially aggravated by the new mine field which the Germans have laid at the entrance into the Baltic. The Swedish Social Democrats asks whether German mine laying is being carried out so as to permit small ships at least to go around the southern point of Sweden. This newspaper adds that it expects Sweden to protest if any intention is shown of placing the entire Baltic traffic under German control.

OFFICER MARCO NO EXPERT

The first case to be tried before a jury in the Criminal Superior court this term was that of Joseph Hultha, charged with breaking into W. M. Terry & Co.'s slaughter house in North Bridgeport, the night of Jan. 30, 1896. He is alleged to have stolen 30 lbs. of beef. The beef was from a steer killed by a Jewish Rabbi. Police-man Fred Marco who arrested Hultha told of the circumstances connected therewith and said the stolen beef was from the hind quarter. A butcher from Terry's testified that the beef was from the forequarter. The court decided to take the latter's word as it was corroborated by Police-man Terry. The Prosecution for the state was done by Attorney Frederic A. Bartlett and the defense was handled by Attorney P. L. Johnson.
